UNIFIED PROGRAM

is a strategic curriculum which aims to develop a collaboration between the Asian Institute of Technology (AIT) and Siam University (SU), to offer students quality higher education and achieve accelerated graduation for bright students leading to Bachelor and Master Degree and produce global engineering leaders with an international exposure.

INTERNATIONAL
Unified Bachelor Master Degree Program

P.O Box 4, Klong Luang Pathumthani 12120, Thailand
+66 (0) 2 524 6313
+66 (0) 2 457 0068 ext.5128 (SU)
unified@ait.ac.th
unified@siam.edu (SU)
unified.ait.ac.th
PROGRAM OFFERING

- The program will be spread over a minimum of 5 years.
- Students will spend first seven (7) semesters or (3.5 years) at SU for Bachelor courses and the Masters part of the program in AIT will be 3 semesters and 1 intersemester (1.5 years).
  - The bachelor degree will be awarded by SU and the Master degree will be awarded by AIT, both only at the end of the program upon fulfillment of the requirements of each.
- Bachelor Degree title will be Bachelor of Engineering in Civil Engineering / Bachelor of Science in Information Technology.
- Master Degree title will be Master in Engineering.

Tuition Fee

- Bachelor Fee is THB 400,000
- For Master Program, all eligible student will get a minimum of 12 credits fellowships (THB 636,000) and toppers (depending on number of students enrolled), may get additional fellowship based on the grades and ranking

English Bridging Program (For 4.5 AIT English Test Score)

- designed to give students the skills they need to succeed in their post-graduate programs at AIT
  - credited course
  - January – April OR June – July (to prepare students for the August semester)

Elements

- academic communicative skills
- research skills
- study skills

Why this program?

- Two Degrees in Global Environment
- Employers prefer these students with 2 degrees in hand than only 1 degree
- International exposure to diversified areas of excellence
- Interaction with world class faculty and international students
- Association with AIT’s widely-known brand name
- A doorway to facilitate higher studies/ international jobs
- Economical compared to other available alternatives
- Prepare graduates for professional success and leadership roles in Asia and beyond
- Easy Travel by students / parents
