Video Resume Workshop

Session 1: 23 Oct 2021@ 7.00 pm

Session 2: 24 Oct 2021 @ 7.00 pm (tentative schedule)

Introduction

A video resume is a tool that you can use to get your dream job. It's more than just transforming your paper resume into a video format. It's a way for you to showcase your personality, create a great first impression, and emphasize your talent and skills.

Objective

The main objective of the workshop is to equip students with video resume production skills. Specifically, after the workshop participants are expected to be able to:

- Show off your personality
- Be creative and quickly get noticed
- Pump up your confidence
- Find a simple solution for you to stand out
- Show off your undefinable qualities and make an impression

Target participants

The workshop is designed for university students, especially for the fourth year students and graduates who are seeking for an internship or a job opportunity before and after the university graduation.

Students who can speak English would be preferred.

Main topics

The workshop comprises of two virtual meeting sessions and focus on the following content:

Session 1:

- Why video resumes?
- How to prepare and conduct an impressive video resume?
- Practice: structure and conduct a video resume

Session 2:

- Students' reflection on the challenges faced by students when they are producing their video resume
- Experience sharing on how to address these challenges
- Demonstration of some good examples
- Experience sharing and take-away deliverables

Methodology

The workshop will apply an adult-learning approach and a combination of interactive learning tools and techniques. Short lectures, individual and group discussions, practice and reflections on the challenges and lessons learned will be used during the virtual workshop.
